**GLOBAL NOTES, METHODOLOGY, AND SPECIFIC DISCLOSURES  
REGARDING THE DEBTORS' SCHEDULES OF ASSETS AND  
LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

Global Eagle Entertainment Inc. (“**GEE**”) and its debtor affiliates (collectively, the “**Debtors**” or “**Global Eagle**”), each of which is a debtor and debtor in possession in the above-captioned chapter 11 cases, have filed their respective Schedules of Assets and Liabilities (the “**Schedules**”) and Statements of Financial Affairs (the “**Statements**”) in the United States Bankruptcy Court for the District of Delaware (the “**Court**”). The Debtors, with the assistance of their legal and financial advisors, prepared the Schedules and Statements in accordance with section 521 of title 11 of the United States Code (the “**Bankruptcy Code**”) and rule 1007 of the Federal Rules of Bankruptcy Procedure.

These *Global Notes, Methodology, and Specific Disclosures Regarding the Debtors’ Schedules of Assets and Liabilities and Statements of Financial Affairs* (the “**Global Notes**”) are incorporated by reference in, and comprise an integral part of, each Debtor’s respective Schedules and Statements, and should be referred to and considered in connection with any review of the Schedules and Statements.

Christian M. Mezger has signed each set of Schedules and Statements. Mr. Mezger serves as the Chief Financial Officer of GEE and he is an authorized signatory for each of the Debtors in these chapter 11 cases. In reviewing and signing the Schedules and Statements, Mr. Mezger has necessarily relied upon the efforts, statements, advice, and representations of the Debtors’ personnel and legal and financial advisors. Mr. Mezger has not (and could not have) personally

verified the accuracy of each such statement and representation, including statements and representations concerning amounts owed to creditors.

In preparing the Schedules and Statements, the Debtors relied on unaudited financial data derived from their books and records that was available at the time of such preparation. The Debtors and their agents, attorneys, and financial advisors do not guarantee or warrant the accuracy or completeness of the data that is provided herein, and shall not be liable for any loss or injury arising out of or caused in whole or in part by the acts, errors, or omissions, whether negligent or otherwise, in procuring, compiling, collecting, interpreting, reporting, communicating, or delivering the information contained herein. While commercially reasonable efforts have been made to provide accurate and complete information herein, inadvertent errors or omissions may exist. The Debtors reserve their rights to amend and supplement the Schedules and Statements as may be necessary or appropriate. For the avoidance of doubt, the Debtors and their agents, attorneys, and financial advisors expressly do not undertake any obligation to update, modify, revise, or recategorize the information provided herein, or to notify any third party should the information be updated, modified, revised, or recategorized, except as required by applicable law. In no event shall the Debtors, or their agents, attorneys, and financial advisors, be liable to any third party for any direct, indirect, incidental, consequential, or special damages (including, but not limited to, damages arising from the disallowance of a potential claim against the Debtors or damages to business reputation, lost business, or lost profits), whether foreseeable or not and however caused, even if the Debtors or their agents, attorneys, or financial advisors are advised of the possibility of such damages.

### **Global Notes and Overview of Methodology**

The Global Notes supplement and are in addition to any specific notes contained in each Debtor's respective Schedules or Statements. Furthermore, the fact that the Debtors have prepared Global Notes or specific notes with respect to each of the individual Debtor's Schedules and Statements and not to those of another should not be interpreted as a decision by the Debtors to exclude the applicability of such Global Notes or specific notes from any other Debtor's Schedules and Statements, as appropriate.

1. **Description of Cases.** On July 22, 2020, (the "**Petition Date**"), each of the Debtors filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code. The Debtors are operating their businesses and managing their property as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On July 23, 2020, the Court entered the *Order (I) Authorizing Joint Administration of Chapter 11 Cases and (II) Granting Related Relief* [Docket No. 73] directing joint administration of the Debtors' chapter 11 cases. Notwithstanding the joint administration of the Debtors' cases for procedural purposes, each Debtor has filed its own Schedules and Statements. On August 5, 2020, the Office of the United States Trustee for the District of Delaware appointed an official committee of unsecured creditors [Docket No. 109]. As of the date hereof, no request for

the appointment of an examiner or a trustee has been made in these chapter 11 cases. The information provided herein, except as otherwise noted, is reported as of the Petition Date.<sup>2</sup>

2. **Global Notes Control.** These Global Notes pertain to and comprise an integral part of each of the Schedules and Statements and should be referenced in connection with any review thereof. In the event that the Schedules and Statements conflict with these Global Notes, these Global Notes shall control.
3. **Reservations and Limitations.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors or omissions may exist. The Debtors reserve all rights to amend and supplement the Schedules and Statements as may be necessary or appropriate. Nothing contained in the Schedules and Statements constitutes a waiver of any of the Debtors' rights or an admission of any kind with respect to these chapter 11 cases, including, but not limited to, any rights or claims of the Debtors against any third party or issues involving substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers. Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph. For the avoidance of doubt, notwithstanding the foregoing, the Debtors shall not be required to update the Schedules and Statements.
  - (a) **No Admission.** Nothing contained in the Schedules and Statements is intended or should be construed as an admission or stipulation of the amount, validity, priority, status, or classification of any claim (as such term is defined in section 101(5) of the Bankruptcy Code) (a "**Claim**") against any of the Debtors, any admission or stipulation with respect to any assertion made therein or herein, or a waiver of the Debtors' rights to (i) dispute or assert any cause of action, offset, or defense as to the amount, liability, priority, status, or classification of any Claim, (ii) subsequently designate any Claim as "disputed," "contingent," or "unliquidated," or (iii) object to the extent, validity, enforceability, priority, or avoidability of any Claim.
  - (b) **Recharacterization.** Notwithstanding the Debtors' reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements, the Debtors nonetheless may have improperly characterized, classified, categorized, designated, or omitted certain items. The Debtors reserve all rights to recharacterize, reclassify, recategorize, redesignate, add, or delete items reported in the Schedules and Statements at a later time as is necessary and appropriate, including whether contracts or leases listed therein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.

---

<sup>2</sup> Additional information about the Debtors' businesses and affairs, capital structure, and prepetition indebtedness, and the events leading up to the Petition Date, can be found in the *Declaration of Christian M. Mezger in Support of Chapter 11 Petitions and First Day Relief* [Docket No. 2].

Disclosure of information in one or more Schedules, one or more Statements, or one or more exhibits or attachments to the Schedules or Statements, even if incorrectly placed, shall be deemed to be disclosed in the correct Schedules, Statements, exhibits, or attachments.

- (c) **Classifications.** Listing (i) a claim on Schedule D as “secured,” (ii) a claim on Schedule E/F as “priority” or “unsecured,” or (iii) a contract or lease on Schedule G as “executory” or “unexpired” does not constitute an admission by the Debtors of the legal rights of the potential claimant or contract/lease counterparty, or a waiver of the Debtors’ rights to recharacterize or reclassify such claim, contract, or lease. Moreover, listing a claim as priority or secured reflects the claim’s status on the Debtors’ books and records and does not take into account whether any lien is properly perfected under applicable law or subject to any potential avoidance actions, which legal analysis may be ongoing.
- (d) **Claims Description.** Any failure to designate a claim on the Debtors’ Schedules and Statements as “disputed,” “contingent,” or “unliquidated” does not constitute an admission by the Debtors that such amount is not “disputed,” “contingent,” or “unliquidated.” Each Debtor reserves all rights to dispute, or assert offsets or defenses to, any claim reflected on its respective Schedules and Statements on any grounds, including, without limitation, liability or classification, or to otherwise subsequently designate such claims as “disputed,” “contingent,” or “unliquidated” or object to the extent, validity, enforceability, or priority of any claim. Moreover, listing a claim does not constitute an admission of liability by the Debtors against which the claim is listed or by any of the Debtors. The Debtors reserve all rights to amend their Schedules and Statements as necessary and appropriate, including, but not limited to, with respect to claim description and designation.
- (e) **Estimates and Assumptions.** The preparation of the Schedules and Statements required the Debtors to make certain estimates and assumptions with respect to the reported amounts of assets and liabilities, the amount of contingent assets and contingent liabilities on the date of the Schedules and Statements, and the reported amounts of revenues and expenses during the applicable reporting periods. Actual results could differ materially from such estimates. The Debtors reserve all rights to amend, supplement, or otherwise modify the reported amounts of assets and liabilities to reflect changes in those estimates or assumptions.
- (f) **Causes of Action.** Despite reasonable efforts, the Debtors may not have identified all current or potential claims or causes of action the Debtors may have against third parties in their respective Schedules and Statements. The Debtors reserve all rights with respect to any claims or causes of action (including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets or avoid transfers), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind of

character whatsoever, known or unknown, fixed or contingent, matured or unmatured, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, “**Causes of Action**”) that they may have, and neither the Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.

- (g) **Property Rights.** Exclusion of certain property rights, including without limitation intellectual, real, personal, or otherwise, from the Schedules and Statements should not be construed as an admission that such property rights have been abandoned, have been terminated or otherwise expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain property rights in the Schedules and Statements should not be construed as an admission that such property rights have not been abandoned, have not been terminated or otherwise expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction.
- (h) **Insiders.** In the circumstances where the Schedules and Statements require information regarding which individuals are “insiders,” the Debtors, consistent with the disclosures in their SEC-compliant public filings, have included information with respect to the individuals who serve or have served as directors and executive officers of GEE. Such individuals may no longer serve in such capacities.

The listing or omission of a party as an insider for purposes of the Schedules and Statements is for informational purposes only and is not intended to be, nor should it be, construed as an admission of the legal characterization of such party as an insider for purpose of section 101(31) of the Bankruptcy Code and does not act as an admission of any fact, Claim, right, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Information regarding the individuals listed as insiders in the Schedules and Statements may not be used for: (i) the purposes of determining (A) control of the Debtors; (B) the extent to which any individual exercised management responsibilities or functions; (C) corporate decision-making authority over the Debtors; or (D) whether the Debtors or such individual could successfully argue that he or she is not an insider under applicable law, including the Bankruptcy Code and federal securities laws, or with respect to any theories of liability or (ii) any other purpose.

#### 4. **Methodology.**

- (a) **Basis of Presentation.** For financial reporting purposes, before the Petition Date, the Debtors prepared financial statements on a consolidated basis, which were audited annually. Combining the assets and liabilities set forth in the Schedules and Statements would result in amounts that could be substantially different from financial information that would be prepared on a consolidated basis under

Generally Accepted Accounting Principles in the United States (“**GAAP**”). Therefore, the Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to be fully reconciled to the financial statements of each Debtor. The Schedules and Statements contain unaudited information that is subject to further review and potential adjustment. The Schedules and Statements reflect the Debtors’ commercially reasonable efforts to report the assets and liabilities of each Debtor on an unconsolidated basis.

- (b) **Confidential Information.** There may be instances in the Schedules and Statements where the Debtors deemed it necessary and appropriate to redact from the public record information such as names, addresses, or amounts. Generally, the Debtors have used this approach because of a confidentiality agreement between the Debtors and a third party, for the protection of sensitive commercial information, to ensure compliance with applicable privacy protection regulations or for the privacy of an individual.
- (c) **Master Agreements.** Contracts and leases listed in the Schedules and Statements may be master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor entity that signed the original umbrella or master agreement. Other Debtors, however, may be liable together with such Debtor on account of such agreements, and the Debtors reserve all rights to amend the Schedules and Statements to reflect changes regarding the liability of the Debtors with respect to such agreements, if appropriate.
- (d) **Duplication.** Certain of the Debtors’ assets, liabilities, and prepetition payments may properly be disclosed in multiple parts of the Statements and Schedules. To the extent these disclosures would be duplicative, the Debtors have endeavored to only list such assets, liabilities, and prepetition payments once.
- (e) **Net Book Value.** In certain instances, current market valuations for individual items of property and other assets are neither maintained by nor readily available to the Debtors. Accordingly, unless otherwise indicated, the Debtors’ Schedules and Statements reflect net book values as of June 30, 2020. Market values may vary, in some instances, materially, from net book values presented as of June 30, 2020. The Debtors believe that it would be an inefficient use of estate assets for the Debtors to obtain the current market values of their property. Accordingly, the Debtors have indicated in the Schedules and Statements that the market values of certain assets and liabilities are undetermined. Also, assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of the Debtors with respect to such asset. For the avoidance of doubt, nothing contained

in the Schedules and Statements is indicative of the Debtors' enterprise value or what a third party might be willing to pay in connection with any asset disposition.

- (f) ***Contingent Claim.*** A claim that is dependent on the realization of some uncertain future event is "contingent."
- (g) ***Unliquidated Claim.*** A claim for which a specific value cannot be calculated using currently available information is "unliquidated."
- (h) ***Disputed Claim.*** A claim with respect to which the applicable Debtor(s) and claimant(s) disagree as to the amount owed, whether any amount is owed, the priority of the claim, or otherwise is "disputed."
- (i) ***Undetermined or Unknown Amounts.*** The description of an amount as "undetermined" or "unknown" is not intended to reflect upon the materiality of such amount.
- (j) ***Totals.*** All totals that are included in the Schedules and Statements represent totals of all known amounts. To the extent there are unknown, disputed, contingent, unliquidated, or otherwise undetermined amounts, the actual total may be materially different from the listed total.
- (k) ***Property and Equipment.*** Unless otherwise indicated, owned property and equipment are valued at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third-party lessors. To the extent possible, any such leases are listed in the Schedules and Statements. Nothing in the Schedules and Statements is, or should be construed as, an admission as to the determination of the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and the Debtors reserve all rights with respect thereto. Exclusion of certain property from the Schedules and Statements shall not be construed as an admission that such property rights have been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain property from the Schedules and Statements shall not be construed as an admission that such property rights have not been abandoned, terminated, assigned, expired by their terms, or otherwise transferred pursuant to a sale, acquisition, or other transaction.
- (l) ***Allocation of Liabilities.*** The Debtors allocated liabilities between the prepetition and postpetition periods based on the information and research conducted in connection with the preparation of the Schedules and Statements. As additional information becomes available and further research is conducted, the allocation of liabilities between the prepetition and postpetition periods may change.

The liabilities listed on the Schedules do not reflect any analysis of claims under section 503(b)(9) of the Bankruptcy Code. Accordingly, the Debtors reserve all of their rights to dispute or challenge the validity of any asserted claims under section 503(b)(9) of the Bankruptcy Code or the characterization of the structure of any such transaction or any document or instrument related to any creditor's claims.

- (m) ***Credits and Adjustments.*** The claims of individual creditors for, among other things, goods, products, services, or taxes are listed as the amounts entered on the Debtors' books and records and may either (i) not reflect credits, allowances, or other adjustments due from such creditors to the Debtors, or (ii) be net of accrued credits, allowances, or other adjustments that are actually owed by a creditor to the Debtors on a postpetition basis on account of such credits, allowances, or other adjustments earned from prepetition payments and critical vendor payments, if applicable. The Debtors reserve all of their rights with regard to such credits, allowances, or other adjustments, including, but not limited to, the right to modify the Schedules, assert claims objections and/or setoffs with respect to the same, or apply such allowances in the ordinary course of business on a postpetition basis.
- (n) ***Paid Claims.*** Pursuant to Court order, the Debtors have obtained authority to pay certain outstanding prepetition payables. As a result, outstanding liabilities may have been reduced by Court-approved postpetition payments made on prepetition payables. Where and to the extent these liabilities have been satisfied, they are nevertheless listed in the Schedules and Statements, except for liabilities owed to current employees, which have been listed in Schedule E/F in an unliquidated amount. The Debtors reserve all rights to amend or supplement the Schedules and Statements or to take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payments for liabilities. Estimates of claims set forth in the Schedules and Statements may not reflect assertions by the Debtors' creditors of a right to have such claims paid or reclassified under the Bankruptcy Code or orders of the Court. Nothing contained herein should be deemed to alter the rights of any party in interest to contest a payment made pursuant to an order of the Court where such order preserves the right to contest.
- (o) ***Intercompany Claims.*** As described in the *Motion of Debtors For Entry of Interim And Final Orders (I) Authorizing the Debtors to (A) Continue Operating Existing Cash Management System, (B) Honor Certain Prepetition Obligations Related Thereto, (C) Maintain Existing Business Forms, and (D) Continue to Perform Intercompany Transactions, and (II) Granting Related Relief* [Docket No. 5] (the "**Cash Management Motion**"), the Debtors maintain business relationships among themselves and conduct transactions from time to time that result in intercompany receivables and payables, intercompany notes or loans and/or are on account of capital contributions, equity investments, or distributions on account of equity investments. Prepetition intercompany receivables and payables among and between the Debtors and their non-filing affiliates are reported on Schedule A/B 77 (receivables) and Schedule E/F (payables) per Global Eagle's books and records. Prepetition amounts due to intercompany notes or loans are similarly reported on Schedule A/B 77 (receivables) and Schedule E/F (payables) per Global Eagle's books and records, depending on whether the Debtor is an obligor or an obligee under such notes or loans. As described in detail in the Cash Management Motion, the Debtors enter into intercompany notes or loans to facilitate the transfer of funds and continue operating in the ordinary course, including where operating in certain jurisdictions requires the implementation of such formalized loan agreements. The

listing of any amounts with respect to such receivables and payables and/or notes and loans is not, and should not be construed as, an admission regarding the allowance, classification, characterization, validity, or priority of such account, including, without limitation, an admission of the characterization of such balances as debt, equity, or otherwise. For the avoidance of doubt, the Debtors reserve all rights, claims, and defenses in connection with any and all intercompany receivables and payables, including, but not limited to, with respect to the characterization of intercompany claims, loans, and notes.

- (p) ***Guarantees and Indemnification Claims.*** The Debtors have exercised reasonable efforts to locate and identify guarantees of their executory contracts, unexpired leases, secured financings, and other such agreements. Where guarantees or indemnification claims have been identified, they have been included in the relevant Schedules E/F, G, and H for the affected Debtor. The Debtors may have inadvertently omitted guarantees or indemnifications embedded in their contractual agreements and may identify additional guarantees or indemnifications as they continue to review their books and records and contractual agreements. The Debtors reserve their rights, but are not required, to amend the Schedules and Statements if additional guarantees are identified. Additionally, failure to list any Guarantees in the Schedules and Statements, including in any future amendments to the Schedules and Statements, shall not affect the enforceability of any Guarantees not listed.
- (q) ***Executory Contracts and Unexpired Leases.*** Although the Debtors have made diligent attempts to properly identify the Debtor-party to each executory contract and unexpired lease on Schedule G, it is possible that more Debtor entities are party(ies) to certain executory contracts and unexpired leases on Schedule G than listed herein. The Debtors reserve all of their rights with respect to the named parties of any and all executory contracts and unexpired leases, including the right to amend, supplement, or otherwise modify Schedule G. In addition, although the Debtors have made diligent attempts to properly identify executory contracts and unexpired leases, the inclusion or omission of a contract or lease on Schedule G does not constitute an admission or waiver as to the executory or unexpired nature (or non-executory or expired nature) of the contract or lease, or an admission as to the existence or validity of any claims held by any counterparty to such contract or lease. Furthermore, while the Debtors have made diligent attempts to properly identify all executory contracts and unexpired leases, inadvertent errors, omissions, or over-inclusion may have occurred.
- (r) ***Leases.*** The Debtors have not included the future obligations of any capital or operating leases in the Schedules and Statements. To the extent that there was an amount outstanding as of the Petition Date, the creditor has been included on the Schedules.

In the ordinary course of business, certain of the Debtors may enter into agreements titled as leases for certain equipment or motor vehicles from third-party lessors for use in the daily operation of their business. Any known prepetition obligations of

the Debtors pursuant to the same have been listed on Schedule F, and the underlying lease agreements are listed on Schedule G. Nothing in the Schedules or Statements is, or shall be construed to be, an admission or waiver as to the determination of the legal status of any lease (including whether any lease is a true lease, a financing arrangement, or otherwise), and the Debtors reserve all rights with respect to such issues.

- (s) ***Excluded Assets and Liabilities.*** The Debtors have excluded certain categories of assets and liabilities from the Schedules and Statements, including, but not limited to: certain deferred charges, accounts, or reserves recorded only for purposes of complying with the requirements of GAAP; deferred tax assets and liabilities; certain intangibles; deferred revenue accounts; and certain accrued liabilities including, but not limited to, accrued salaries and employee benefits. Other immaterial assets and liabilities may also have been excluded.
- (t) ***Liens.*** The inventories, property, and equipment listed in the Schedules and Statements are presented without consideration of any liens that may attach (or have attached) to such inventories, property, and equipment. The Debtors reserve their right to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be perfected by a creditor.
- (u) ***Currency.*** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
- (v) ***Setoffs.*** The Debtors periodically incur setoffs and net payments in the ordinary course of business. Such setoffs and nettings may occur due to a variety of transactions or disputes including, but not limited to, intercompany transactions, related-party transactions, counterparty settlements, pricing discrepancies, overpayments, returns, warranties, charge backs, credits, rebates, returns, refunds, negotiations, and/or disputes between the Debtors and their customers and/or suppliers. These are ordinary course setoffs and nettings within the Debtors' industry. Due to the voluminous nature of setoffs and nettings, it would be unduly burdensome and costly for the Debtors to list each such transaction. Therefore, although such setoffs and other similar rights may have been accounted for when scheduling certain amounts, these ordinary course setoffs are not independently accounted for, and as such, are or may be excluded from the Debtors' Schedules and Statements. In addition, some amounts listed in the Schedules and Statements may have been affected by setoffs or nettings by third parties of which the Debtors are not yet aware and/or of which the Debtors have approved to effectuate in the claims process of their chapter 11 cases. The Debtors reserve all rights to challenge any setoff and/or recoupment rights that may be asserted.

### **Specific Schedules Disclosures**

5. **Schedules Summary.** Except as otherwise noted, the asset totals represent amounts as of June 30, 2020 and liability information represents the Debtors' liabilities as of the Petition Date.

6. **Schedule A/B, Parts 1 and 2 – Cash and Cash Equivalents; Deposits and Prepayments.** Details with respect to the Debtors' cash management system and bank accounts are set forth in the Debtors' Cash Management Motion and the *Final Order (I) Authorizing the Debtors to (A) Continue Operating Existing Cash Management System, (B) Honor Certain Prepetition Obligations Related Thereto, (C) Maintain Existing Business Forms, and (D) Continue to Perform Intercompany Transactions, and (II) Granting Related Relief* [Docket No. 231]. The Debtors had, and disclosed, bank account balances as of end of day on July 20, 2020 in the Cash Management Motion. The Debtors' bank account balances listed in response to Schedule A/B 3 are as of close of business on July 21, 2020. Accordingly, there may be variations between the bank account balances listed in the Cash Management Motion and the bank account balances listed in response to Schedule A/B 3 due to the one day differential.
7. **Schedule A/B, Part 3 – Accounts Receivable, Item 11.** The Debtors' reported accounts receivable includes amounts that may be uncollectible. Notwithstanding the foregoing, the Debtors have used reasonable efforts to deduct doubtful or uncollectible accounts. The Debtors are unable to determine with certainty what amounts will actually be collected.
8. **Schedule A/B, Part 4 – Investments; Non-Publicly Traded Stock and Interests in Incorporated and Unincorporated Businesses, including any Interest in an LLC, Partnership, or Joint Venture.** Ownership interests in subsidiaries, partnerships, and joint ventures have been listed in Schedule A/B, Part 4, as undetermined amounts on account of the fact that the fair market value of such interests depend on numerous variables and factors and may differ significantly from their net book value. Ownership of other equities are listed at either market book value or market value.
9. **Schedule A/B, Part 7 – Office Furniture, Fixtures, and Equipment; and Collectibles.** For those Debtors that own office furniture, fixtures, and equipment, dollar amounts are presented net of accumulated depreciation and other adjustments. Due to their volume, the individual fixed asset schedules have not been included in Part 7.
10. **Schedule A/B, Part 8 – Machinery, Equipment, & Vehicles.** For those Debtors that own machinery, equipment, and vehicles, dollar amounts are presented net of accumulated depreciation and other adjustments. Due to their volume, the individual fixed asset schedules have not been included in Part 8.
11. **Schedule A/B, Part 9 – Real Property.** For those Debtors that own real property, such owned real estate is reported at book value, net of accumulated depreciation. Any buildings and land improvements are listed on Schedule A/B, Part 9, independent of whether the real property to which the building or land improvement is connected is Debtor-owned property. The Debtors may have listed certain assets as real property when such assets are in fact personal property, or the Debtors may have listed certain assets as personal property when such assets are in fact real property. The Debtors reserve all of their rights to recategorize and/or recharacterize such asset holdings to the extent the Debtors determine that such holdings were improperly listed.

Certain of the instruments reflected on Schedule A/B 55 may contain renewal options, guarantees of payments, options to purchase, rights of first refusal, rights to lease additional lands, and other miscellaneous rights. Such rights, powers, duties, and obligations are not separately set forth on Schedule A/B 55. The Debtors hereby expressly reserve the right to assert that any instrument listed on Schedule A/B 55 is an executory contract or unexpired lease within the meaning of section 365 of the Bankruptcy Code. The Debtors reserve all of their rights, claims, and causes of action with respect to claims associated with any contracts and agreements listed on Schedule A/B 55, including their right to dispute or challenge the characterization or the structure of any transaction, document, or instrument, including any intercompany or related party agreement.

12. **Schedule A/B, Part 11 – All Other Assets.** Dollar amounts are presented net of impairments and other adjustments.

- (a) ***Notes receivable.*** As described in Section 4(o) herein, prepetition intercompany notes or loans are reported on Schedule A/B 77 (receivables) and Schedule E/F (payables) per the Debtors' books and records, depending on whether the Debtor is an obligor or an obligee under such notes or loans. The Debtors have not separately listed intercompany notes or loans in response to Schedule A/B, Part 11, Question 71.
- (b) ***Other Contingent and Unliquidated Claims or Causes of Action of Every Nature, including Counterclaims of the Debtors and Rights to Setoff Claims.*** In the ordinary course of their businesses, the Debtors may have accrued, or may subsequently accrue, certain rights to counter-claims, cross-claims, setoffs, credits, rebates, or refunds with their customers and suppliers, or potential warranty or indemnity claims against counterparties. Additionally, certain of the Debtors may be party to pending litigation in which such Debtor has asserted, or may assert, claims as a plaintiff or counter-claims and/or cross-claims as a defendant. Because such claims are unknown to the Debtors and not quantifiable as of the Petition Date, they are not listed on Schedule A/B, Part 11.
- (c) ***Interests in Insurance Policies or Annuities.*** A list of the Debtors' insurance policies and related information is available as an exhibit to the *Motion of Debtors for Entry of Interim and Final Orders (I) Authorizing Debtors to (A) Continue to Maintain Their Insurance Policies and Programs and (B) Honor All Insurance Obligations, Including Obligations Under Their Premium Financing Agreements, (II) Modifying Automatic Stay, and (III) Granting Related Relief* [Docket No. 12]. The Debtors believe that there is little or no cash value to the vast majority of such insurance policies. Such policies have all been included on Schedule A/B, Part 11, with values listed as "undetermined."
- (d) ***Other Property of Any Kind Not Already Listed.*** Intercompany and related-party receivables reflect the balance as of June 30, 2020.
- (e) ***Executory Contracts and Unexpired Leases.*** Because of the large number of the executory contracts and unexpired leases, as well as the size and scope of such

documents, the Debtors have not attached such agreements to Schedule A/B. Instead, the Debtors have only listed such agreements on Schedule G. Certain agreements may not be listed on Schedule G due to express confidentiality provisions contained within such agreements.

13. **Schedule D – Creditors Who Have Claims Secured by Property.** Except as otherwise agreed pursuant to a stipulation or order entered by the Court, the Debtors reserve their rights to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be granted or perfected in any specific asset to a secured creditor listed on Schedule D. Moreover, although the Debtors have scheduled claims of various creditors as secured claims, except as otherwise agreed pursuant to any stipulation or order entered by the Court, the Debtors reserve all rights to dispute or challenge the secured nature of any such creditor's claim or the characterization of the structure of any such transaction or any document or instrument related to such creditor's claim.

The descriptions provided in Schedule D are intended only to be a summary. Reference to the applicable agreements and other related relevant documents is necessary for a complete description of the collateral and the nature, extent, and priority of any liens. The listing of a lien does not constitute an admission by the Debtors of its validity or perfection. In certain instances, some of the Debtors may be a co-obligor, co-mortgagor, or guarantor with respect to scheduled claims of other Debtors, and no claim set forth on Schedule D of any Debtor is intended to acknowledge claims of creditors that are otherwise satisfied or discharged by other entities. Although there are multiple parties that hold a portion of the debt included in the secured facilities, only the administrative agents have been listed for purposes of Schedule D.

The Debtors have not included on Schedule D parties that may believe such claims are secured through setoff rights or inchoate statutory lien rights.

Except as specifically stated herein, real property lessors, utility companies, and other parties that may hold security deposits have not been listed on Schedule D.

14. **Schedule E/F – Creditors Who Have Unsecured Claims.**

- (a) ***Part 1 - Creditors with Priority Unsecured Claims.*** Pursuant to the *Final Order (I) Authorizing Debtors to Pay Certain Prepetition Taxes and Fees, and (II) Granting Related Relief* [Docket No. 199] (the “**Tax Order**”), the Debtors have been granted the authority to pay, in their discretion, certain tax liabilities that accrued prepetition. The Debtors have only listed those taxing authorities as to which the Debtors have known outstanding liabilities, which may have been paid pursuant to the Tax Order, or that have pending audits.

Furthermore, pursuant to the *Final Order Authorizing Debtors to (I) Pay Prepetition Workforce Obligations, (II) Maintain Compensation and Benefits Programs, and (III) Granting Related Relief* [Docket No. 202] (the “**Wages Order**”), the Debtors have been granted the authority to pay, in their discretion, certain prepetition obligations, including employee wages and other employee

benefits, in the ordinary course of business. The Debtors have listed individual employee unsecured priority claims at an undetermined amount as it would be cost prohibitive for the Debtors to calculate such employee claim on an individual basis.

The listing of a claim on Schedule E/F, Part 1, does not constitute an admission by the Debtors that such claim or any portion thereof is entitled to priority status.

- (b) ***Part 2 - Creditors with Nonpriority Unsecured Claims.*** The liabilities identified in Schedule E/F, Part 2, are derived from the Debtors' books and records. The Debtors made a reasonable attempt to set forth their unsecured obligations, although the actual amount of claims against the Debtors may vary from those liabilities represented on Schedule E/F, Part 2. The listed liabilities, which have been listed on a gross accounts payable basis, may not reflect the correct amount of any unsecured creditor's allowed claims or the correct amount of all unsecured claims.

Pursuant to various orders to pay certain prepetition nonpriority unsecured claims, the Debtors have been granted the authority to pay, in their discretion, certain prepetition obligations. These orders include, without limitation, (1) *Final Order (I) Authorizing Debtors to (A) Continue to Maintain Their Insurance Policies and Programs and (B) Honor All Insurance Obligations, Including Obligations Under Their Premium Finance Agreements, (II) Modifying Automatic Stay, and (III) Granting Related Relief* [Docket No. 198]; (2) *Final Order (I) Authorizing Debtors To Pay Prepetition Claims of (A) Critical Vendors, (B) Lien Claimants, (C) 503(B)(9) Claimants, and (D) Foreign Vendors, (II) Confirming Administrative Expense Priority Status for Outstanding Prepetition Purchase Orders, and (III) Granting Related Relief* [Docket No. 201]; and (3) the Wages Order.

The Debtors have listed known obligations to claimants holding nonpriority unsecured claims including obligations that were paid pursuant to these orders. The Debtors reserve all rights, but shall have no obligation, to amend or supplement the Schedules and Statements or to take other action, such as filing claims objections, as is necessary and appropriate to avoid overpayment or duplicate payments for liabilities.

Schedule E/F, Part 2, contains information regarding threatened or pending litigation involving the Debtors. These potential claims are marked as "contingent," "unliquidated," and "disputed" in the Schedules and Statements, with their amounts listed as "undetermined" or "unknown."

Schedule E/F, Part 2, reflects certain prepetition amounts owing to counterparties to executory contracts and unexpired leases. Such prepetition amounts, however, may be paid in connection with the assumption or assumption and assignment of an executory contract or unexpired lease. In addition, Schedule E/F, Part 2, does not include claims that may arise in connection with the rejection of any executory contracts and unexpired leases, if any, that may be or have been rejected.

In many cases, the claims listed on Schedule E/F, Part 2, arose, accrued, or were incurred on various dates or on a date or dates that are unknown to the Debtors or are subject to dispute. Where the determination of the date on which a claim arose, accrued, or was incurred would be unduly burdensome and costly to the Debtors' estates, the Debtors have not listed a specific date or dates for such claim.

Schedule E/F does not include certain deferred credits, deferred charges, deferred liabilities, accruals, or general reserves. Such amounts are general estimates of liabilities and do not represent specific claims as of the Petition Date; however, such amounts are reflected on the Debtors' books and records as required in accordance with GAAP.

As of the time of filing of the Schedules and Statements, the Debtors have not received all invoices for payables, expenses, and other liabilities that may have accrued before the Petition Date. Accordingly, the information contained in Schedules D and E/F may be incomplete. The Debtors reserve their rights, but undertake no obligations, to amend Schedules D and E/F if, or when, the Debtors receive such invoices. The Debtors have scheduled liabilities related to accounts payable based on the legal entities listed in association with the applicable charges in the Debtors' various accounts payable systems. Accordingly, the legally liable Debtor entities (if any) may differ from the entities scheduled.

15. **Schedule G – Executory Contracts and Unexpired Leases.** While reasonable efforts have been made to ensure the accuracy of Schedule G, inadvertent errors or omissions may have occurred. Additionally, relationships between the Debtors and their vendors are often governed by a master services agreement, under which the Debtors also place work and purchase orders, which may be considered executory contracts. Disclosure of all of these purchase and work orders, however, is impracticable and unduly burdensome. Accordingly, to the extent the Debtors have determined to disclose non-confidential master services agreements in Schedule G, purchase and work orders placed thereunder may have been omitted. The Debtors have not listed non-disclosure, confidentiality, or related agreements on their Schedule G. Since the Petition Date, the Debtors have rejected certain unexpired leases and subleases pursuant to that certain *Order (I) Authorizing Debtors to (A) Reject Certain Unexpired Leases and Subleases, Effective as of July 31, 2020, and (B) Abandon De Minimis Property in Connection Therewith, and (II) Granting Related Relief* [Docket No. 264]. Such leases and subleases nevertheless appear on Schedule G.

The Debtors do not make, and specifically disclaim, any representation or warranty as to the completeness or accuracy of the information set forth on Schedule G. Listing a contract or agreement on Schedule G does not constitute an admission that such contract or agreement is an executory contract or unexpired lease or that such contract or agreement was in effect on the Petition Date or is valid or enforceable. Expired contracts and leases may have also been inadvertently included. The Debtors hereby reserve all of their rights to dispute the validity, status, or enforceability of any contracts, agreements, or leases set forth in Schedule G and to amend or supplement such Schedule as necessary. Certain of the leases and contracts listed on Schedule G may contain renewal options, guarantees of payment, indemnifications, options to purchase, rights of first refusal, and other

miscellaneous rights. Such rights, powers, duties, and obligations are not set forth separately on Schedule G. In addition, the Debtors may have entered into various other types of agreements in the ordinary course of their business, such as supplemental agreements and letter agreements, which documents may not be set forth in Schedule G. The Debtors reserve the right to dispute the effectiveness of any such contract listed on Schedule G or to amend Schedule G at any time to remove any contract.

The Debtors have reserved all rights to dispute or challenge the characterization of any transaction or any document or instrument related to a creditor's claim.

In some cases, the same supplier or provider may appear multiple times in Schedule G. Multiple listings, if any, reflect distinct agreements between the applicable Debtor and such supplier or provider.

Although the Debtors have made diligent attempts to attribute an executory contract or unexpired lease to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so. Accordingly, the Debtors reserve all of their rights with respect to the named parties of any and all executory contracts and unexpired leases, including the right to amend Schedule G.

Omission of a contract or agreement from Schedule G does not constitute an admission that such omitted contract or agreement is not an executory contract or unexpired lease. The Debtors' rights under the Bankruptcy Code with respect to any such omitted contract or agreement is not impaired by the omission. Certain Debtors are guarantors under, and parties to guaranty agreements regarding, the Debtors' prepetition secured credit facility. The guaranty obligations arising under these agreements are reflected on Schedules D and E/F only.

16. **Schedule H – Co-Debtors.** The Debtors have not listed any litigation-related co-debtors on Schedule H. Instead, such listings can be found on the Debtors' Schedule E/F.

#### **Specific Statements Disclosures**

17. **Statements, Part 1, Question 1 – Income.** The Debtors reported income from January 1, 2020 to June 30, 2020. The Debtors did not include estimated income for the period of July 1, 2020 through the Petition Date.
18. **Statements, Part 2, Question 3 – Payments and Transfers to Certain Creditors within 90 Days.** The dates set forth in the "Dates" column relate to one of the following: (i) the date of a wire transfer; (ii) the date of an "ACH" processing; or (iii) the check date. Before the Petition Date, the Debtors maintained a centralized cash management system through which certain Debtors made payments on behalf of certain Debtor affiliates, as further explained in the Cash Management Motion. Consequently, for the purpose of this question, payments are recorded based on the Debtor's bank account owned.

Payments to the Debtors' employees and insiders for compensation and benefits, to the Debtors' bankruptcy professionals, and on account of intercompany transactions are not included in the payments to creditors. Payments to payroll and/or benefit providers have

been included, even if the payment was used to directly pay employees. The aforementioned payments are included in the following locations within the Statements: employees and insiders (Question 4), bankruptcy professionals (Question 11), and intercompany (Question 4).

19. **Statements, Part 2, Question 4 – Payments and Transfers to Insiders.** To the extent: (i) a person who may have qualified as an “insider” in the year before the Petition Date but later resigned their insider status or (ii) a person did not begin the year before the Petition Date as an “insider” but later may have become an insider, the Debtors have only listed those payments made while such person was potentially defined as an insider in Statements, Part 2, Question 4. Inclusion of an individual in response to Statement Question 4 is not a concession that such person is an insider as defined under the Bankruptcy Code. Refer to Section 3(h) in these Global Notes for further information as to which individuals are listed as “insiders.”

The payroll-related amounts shown in response to this question for any salary, bonus, or additional compensation and/or severance payments are gross amounts that do not include reductions for amounts including employee tax or benefit withholdings. For the sake of completeness and out of an abundance of caution, the Debtors have listed transfers valued at less than \$6,825 in their response to Statement Question 4.

As more fully described in the Cash Management Motion, the Debtors recorded numerous intercompany transactions in their books and records each month, including various transfers and journal entries. Instead of listing each of these numerous transactions and entries in their Statements and Schedules for each month, the Debtors have included monthly balances as of June 30, 2020 and net activity from June 30, 2019 to June 30, 2020.

20. **Statements, Part 2, Question 6 – Setoffs.** For a discussion of setoffs and nettings incurred by the Debtors, refer to paragraph 4(v) of these Global Notes.
21. **Statements, Part 6, Question 11 – Payments Related to Bankruptcy.** The Debtors have listed all payments, whether or not they relate to bankruptcy matters, made to professionals retained by the Debtors that the Debtors consulted about debt consolidation or restructuring.
22. **Statements, Part 13, Question 26 – Books, Records, and Financial Statements.** The Debtors provide certain parties, such as banks, auditors, potential investors, vendors, and financial advisors, with financial statements that may not be part of a public filing. The Debtors do not maintain complete lists or other records tracking such disclosures. Therefore, the Debtors have not provided full lists of these parties in their response to Statement Question 26.
23. **Statements, Part 13, Question 30 – Payments, Distributions, or Withdrawals Credited or Given to Insiders.** Any response to this question is included in the response to Statements, Part 2, Question 4 – Payments and Transfers to Insiders.

Disclose all property, real and personal, which the debtor owns or in which the debtor has any other legal, equitable, or future interest. Include all property in which the debtor holds rights and powers exercisable for the debtor's own benefit. Also include assets and properties which have no book value, such as fully depreciated assets or assets that were not capitalized. In Schedule A/B, list any executory contracts or unexpired leases. Also list them on *Schedule G: Executory Contracts and Unexpired Leases* (Official Form 206G).

Be as complete and accurate as possible. If more space is needed, attach a separate sheet to this form. At the top of any pages added, write the debtor's name and case number (if known). Also identify the form and line number to which the additional information applies. If an additional sheet is attached, include the amounts from the attachment in the total for the pertinent part.

For Part 1 through Part 11, list each asset under the appropriate category or attach separate supporting schedules, such as a fixed asset schedule or depreciation schedule, that gives the details for each asset in a particular category. List each asset only once. In valuing the debtor's interest, do not deduct the value of secured claims. See the instructions to understand the terms used in this form.
